

By participating in this type of annotation, I understand and agree that:

- **Limited Access to Photos Account.** I allow Google to review my Google account to determine whether I am a Photos user and the volume of photos and videos in my account.
- **Personalized Photos Rating Tasks.** I may be asked to complete Personalized Photos Annotation Tasks in EWOQ based on the content of my Photos account.
- **Storage of Personalized Photos Annotation Tasks and Associated Responses and Data.** Once I provide my Photos Account, Google may access and use data from any part of my Photos account as part of this project. Even after I cease participating in these or any other ratings, Google may continue to store and use my encrypted responses to these annotation tasks.
- I will not download, screenshot, redistribute or otherwise retain or share photos or videos in the Tasks if they are not from my Photos account.
- TELUS International AI reserves the right to remove me from this Photos annotation program if my work is found to be of substandard quality. Participation as a Photos annotator does not create a promise or guarantee to any particular quantity of tasks that will be made available for me.

Finally, my participation as a Photos annotator is completely voluntary and I do not have a partnership or employer-employee relationship with Google. My personal data may be transferred for these purposes to Google LLC. in the U.S.”
